Cabells to Fete Galloways

Maj. Gen. and Mrs. Gerald E. Galloway are leaving this week for Hawaii where he will be the Division Engineer, USA Pacific.

They will be in town this evening from Fort Belvoir, Va., where he is commanding General Engineer Center, and Commandant of the Engineer Schools, to be the honor guests of the Deputy Director of Central Intelligence and Mrs. Charles P. Cabell.

Gen. Cabell and Gen. Galloway are members of the West Point Class of 1925 and the Cabells have asked all the fellow classmates they could contact to come to an "Aloha" at their Quarters on Bolling Air Force Base.

Mrs. Cabell has planned one of her justly famous Texas - Mexican suppers. Guests will be coming from

Maryland, Virginia and New York.

The Cabells have as their house guests for the week end Col. William Kost of New York and his son, Lt. Kost, jr., who is on duty at Fort Belvoir. Col. Kost also is a classmate of Gen. Cabell.

Each year there is a "no-host" Hawaiian party at the Army Navy Country Club. This year the fete is to be held Saturday.

No one can come into the club unless he is dressed in the Hawaiian fashion. Gen. and Mrs. Cabell expect to be among the group taking guests to the gala event. Highlight of the evening is the donning of leis and to sing the old familiar Hawaiian tunes and dance under the stars to an Hawaiian band.
